The associate degree nurse is assumed to have competence in microbiology, anatomy, physiology, nutrition, introductory psychology and sociology, life-span human development and behavior, and communication skills, as well as basic nursing competence. Coursework in these areas is required as part of the Associate Degree in Nursing curriculum at Southeastern CC. Students are encouraged to speak with an advisor in the College of Nursing if there are deficits in any of these areas.

Prerequisite and Supporting Courses

Minimum Application Requirements Beyond the ADN or Diploma: Composition II, Statistics, and at least 2 of the 3 required supporting courses must be completed or in progress at the point of application to the College of Nursing.
