Recruiting BSN Instructional Track Faculty

The University of Iowa College of Nursing seeks applicants with a strong foundation of teaching in an undergraduate pre-licensure program and incorporates active learning strategies. Instructional track faculty provide intensive teaching in classes and clinical practicums. The faculty positions in the undergraduate program are nine-month appointments in non-tenure instructional ranks of Lecturer and/or Associate Professor of Instruction. Full and part-time positions are available (part time positions are 50% effort or greater).

Faculty position for the undergraduate programs are available in the following areas:

- Medical-Surgical (multiple positions available)
- Gerontology (multiple positions available)

Areas of teaching expertise of particular interest include:

- Medical-Surgical Nursing (practicum, simulation and some theory)
- Gerontology Nursing (practicum, simulation, didactic, and senior internship)
- Teaching with active learning strategies including simulation

With a national reputation for excellence, the University of Iowa’s College of Nursing is one of the premier institutions in the country for nursing education. The college’s innovative program combines in-depth learning with extensive patient contact. Faculty work in cooperation with the University of Iowa Hospitals and Clinics (UIHC) – one of the largest teaching and research hospitals in the country to provide excellent clinical experiences. In partnership with UIHC, the college operates the state-of-the-art Nursing Clinical Education Center, which features clinical labs where students practice sophisticated and complex nursing care in specialty and clinical situations. At Iowa, we are committed to preparing future nurse leaders with the courage, creativity, and passion to use their skills and knowledge to improve the health of individuals and communities.

Education Requirements:

- Earned doctorate in nursing or related field or other educational qualifications appropriate to the position (PhD or DNP Preferred)

Required Qualifications:

- Graduate degree in nursing from an accredited school of nursing
- Established record of excellence in teaching, advising, mentoring, developing curriculum, and other pedagogical activities
- Established record of excellence in service and/or professional productivity
- Expertise and experience in teaching specialty
- Licensed Registered Nurse and eligible for licensure in the state of Iowa

Application materials include a cover letter stating position desired; describing teaching expertise, experiences and interests; current curriculum vitae; and contact information for three references (contacted only with permission). To apply, visit Requisition #73832 at https://jobs.uiowa.edu
