Recruiting RN-BSN Instructional Track Faculty

The University of Iowa College of Nursing seeks applicants for the RN-BSN program with a strong foundation of teaching and incorporates active learning strategies. Instructional track faculty provide intensive teaching through on-line format and supervises RN-BSN students in their Community and Public Health Nursing Practicum throughout the northern region of Iowa. This position is a nine-month appointment in non-tenure instructional ranks of Lecturer and/or Associate Professor of Instruction. Full or part-time position is available (part time position is 50% effort or greater).

Areas of teaching expertise of particular interest include:

• Community and Public Health Nursing (Theory and Practicum)
• Leadership and Professional Engagement
• Professionalism and Patient Safety and Improving Health Systems
• Teaching with active learning strategies

With a national reputation for excellence, the University of Iowa's College of Nursing is one of the premier institutions in the country for nursing education. The college's innovative program incorporates in-depth didactic learning along with community and leadership practice experiences throughout the state of Iowa.

The UI College of Nursing has a long-standing tradition of producing nursing leaders for practice, education and research. Faculty are committed to designing and implementing curricula in which students develop critical thinking, decision-making skills, clinical judgment, cultural sensitivity, and professional nursing values in an increasingly complex health care system. At Iowa, we are committed to preparing future nurse leaders with the courage, creativity, and passion to use their skills and knowledge to improve the health of individuals and communities.

Education Requirements:

• Earned doctorate in nursing or related field or other educational qualifications appropriate to the position (PhD or DNP Preferred)

Required Qualifications:

• Graduate degree in nursing from an accredited school of nursing
• Demonstrated knowledge and experience in networking with Iowa Health Care Facilities
• Demonstrated ability to teach on-line nursing courses
• Established record of excellence in teaching, advising, mentoring, developing curriculum and other pedagogical activities
• Established record of excellence in service and/or professional productivity
• Expertise and experience in teaching specialty
• Licensed Registered Nurse and eligible for licensure in the state of Iowa

Application materials include a letter describing teaching expertise, experiences and interests; current curriculum vitae; and contact information for three references (contacted only with permission). To apply, visit Requisition #73833 at https://jobs.uiowa.edu
