Recruiting BSN Instructional Track Faculty

The University of Iowa College of Nursing seeks applicants with a strong foundation of teaching in an undergraduate pre-licensure program and incorporates active learning strategies. Instructional track faculty provide intensive teaching in classes and clinical practicums. This part-time (50% effort or greater) instructional track faculty position in the undergraduate program is a nine-month appointment. Teaching assignments are made by the Associate Dean for Undergraduate Programs in collaboration with the Interim Executive Associate Dean. Candidates from various cultural backgrounds are highly encouraged to apply.

Faculty positions for the undergraduate programs are available in the Adult Medical/Surgical Practicum area (2 clinical days/onsite). Areas of teaching expertise of particular interest include Adult/Medical-Surgical Nursing.

With a national reputation for excellence, the University of Iowa’s College of Nursing is one of the premier institutions in the country for nursing education. The college’s innovative program combines in-depth learning with extensive patient contact. Faculty work in cooperation with the University of Iowa Hospitals and Clinics (UIHC) – one of the largest teaching and research hospitals in the country to provide excellent clinical experiences. In partnership with UIHC, the college operates the state-of-the-art Nursing Clinical Education Center, which features clinical labs where students practice sophisticated and complex nursing care in specialty and clinical situations. At Iowa, we are committed to preparing future nurse leaders with the courage, creativity, and passion to use their skills and knowledge to improve the health of individuals and communities.
